Dear Mr. Smith:

As requested in your letter of March 29, 1982, enclosed are copies of the 1980 Operations and Progress Reports for the abovementioned mines. This should complete the file update for these two mines.

Concerning the question of Atlas' responsibility and obligations under R.C.R.A. for the Velvet water treatment facility, no new understandings or decisions have been made at this time.

I hope the approval process for Atlas' reclamation contract is going smoothly. If I can be of assistance please contact me.

Respectfully,
